

## Mass Mailer

As of October 2019, the Mass Mailer has been moved to within the [Management App](#) (not through “External Links” or VivoCentral).

To do this, please search for your association in the Management App, click on Communication, and click on Mass Mail.

You can find detailed instructions on how to use the Mass Mailer [here](#), or you can find a quick overview [here](#).

If after accessing the Mass Mailer feature in the Management App and reviewing the instructions you are unable to do what is necessary in the new Mass Mailer (this should ONLY be the case for On-Site associations trying to utilize the “Resident Groups”), you can access the old Mass Mailer [here](#).
